## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-31 are allowed.
2. The following is an examiner's statement of reasons for allowance:
  - a. With respect to claim 1, the claim has been found allowable over the prior art of record because the prior art of record fails to teach or fairly suggest an image forming apparatus comprising an exposing devices for the respective colors of the developing agents, each of which is fixed to the imaging forming apparatus body and wherein the processing units and exposing devices are alternately disposed in combination with the remaining limitations of the claim.
  - b. With respect to claim 26, the claim has been found allowable over the prior art of record because the prior art of record fails to teach or fairly suggest an image forming apparatus comprising an exposing devices for the respective colors of the developing agents, each of which is fixed to the imaging forming apparatus body and the developing agent holding member and the developing agent storage chamber are overlapped in a direction to attached and detached the processing units in combination with the remaining limitations of the claim.
  - c. With respect to claim 31, the claim has been found allowable over the prior art of record because the prior art of record fails to teach or fairly suggest an image forming apparatus comprising an exposing devices for the respective colors of the developing agents, each of which is fixed to the imaging forming apparatus

body and the developing portion can be attached to and detached from the image holding portion in combination with the remaining limitations of the claim.

d. With respect to claims 2-25 and 27-30, the claims have been found allowable due to their dependency on claims 1 and 26 above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The additional prior art cited in the PTO 892 disclose image forming systems that discloses processing units being detachable from the imaging forming body.
